

Part A) Bringing awareness to external events

Date	07 Sep 2026
Sense of sight:	This PDF. Monitors, playing cards, keyboard.
Sense of sound:	I hear people outside, an occasional loud car. There are some birds. I hear a computer fan.
What I smell:	I occasionally feel smell clothing and my fragrance.
How I feel after the exercise:	I'm still comfortable in my home. I don't notice that anything feels different than before.
